NOVEMBER 2021

ADMINISTRATOR'S MESSAGE

The school year is marching on as we enter November. There has been much action taking place this past month and we are looking forward to more to come as we creep towards the winter months. Fall sports have been and are still in many cases in full swing. Elementary soccer wound up in mid October, a big thank you to Mrs. Willems and Mr. Tibbs for coaching and thank you to all the parents who drove to pick up their kids after practice. There was a big turn out for soccer, paired with the great fall weather it was a wonderful season. Volleyball is still going strong with both senior boys' and girls' teams as well as a coed junior program. It is great to see students in school after hours practicing or loading up to head off on road games. Our football players finished the regular season with record of five wins and only one loss. We also won our conference championship game and are now in provincial playoffs. Congratulations to all the hard work and dedication by all our student athletes.

Thank you to all the parents who made it out to parent-teacher interviews either in person or by phone. We once again had a great turn out. Due to our larger class sizes there were time limits on the interviews. Please do not hesitate to contact your child's teacher(s) at anytime throughout the year to connect.

I would like to thank Heather Sten for being our SCC president for the past few years and her future service as she stays involved with the council. Welcome to Elaine Holmes as our new president. The next SCC meeting is November 15th at 5 p.m. at the school. All community members are welcome to attend.

This year's Remembrance Day service will take in a similar look to last year with the high school students walking to the cenotaph with Legion members leading the way. Thank you in advance to Bob Thompson and everyone at the Canwood Legion for their support.

As the weather starts to shift towards winter please ensure that you send your children to school dressed for the weather. This time of year it can switch quickly from cold and dry to cold and damp with the odd sunny warm break midday. As always stay safe in all that you do, and lets be kind to each other.

-Mr. Brian Linn & Mr. Richard Schwehr

INCLEMENT WEATHER-BUSING NEWS

We will soon be feeling the winter weather, we would like to make sure all parents are aware of our Cold/Inclement Weather Procedures. These procedures are in effect for both rural and urban bus routes.

The Transportation Office has a few methods of communicating delays or cancellations of our buses:
- CKBI and CJVR radio stations receive all notifications, these stations will announce a list of our buses that are delayed or not running.

-Notifications will be placed on our website, www.srsd119.ca. Scroll down on the home page to Transportation and you will find a "Bus Report" link. Click on the bus report to check for a list of bus cancellations.

We do not phone individual homes to report bus cancellations.

We ask that you do not call the Transportation Office as we will be very busy managing the routes and ensuring the safety of the children on the buses.

Students must dress appropriately for the weather. They must be dressed adequately for a 1 kilometre walk in case of an emergency. Our bus drivers have the authority to warn/educate a student on a first offense, and refuse transportation on the second.

Saskatchewan Rivers complete Board Policies, Administrative Procedures and Transportation Manual can be reviewed on our website www.srsd119.ca.

-Thank You, Ryan Bruce, Manager of Transportation

Mr. Brian Linn, Principal

Dear Parents and Caregivers,

Saskatchewan Rivers Public School Division will be implementing a new reporting schedule for the 2021-22 school year for elementary and semester schools.

- **Parent teacher Interviews** - Parents, teachers and students will meet twice a year. Once in the fall and again in early spring to discuss students strengths and to set learning goals for the student. This is a great opportunity for parents to learn about how their child has adapted to the new grade level and/or course. At this time, a teacher will share their observations about the child's progression in reading, writing, math and social skills or in their coursework. Any concerns will be raised with the intention of creating a supportive plan for the student.
- **Report Cards**- Report cards will be sent home twice a year. The first report card will be sent home February 3rd and the second report card will go home at the end of the school year.

Part of the reason for the change to the schedule is to acknowledge the many ways that teachers connect with parents/caregivers to share information about their child and the learning that they are doing in the classroom. These include newsletters, notes, emails, phone calls, home visits, and posts in Edsby or Seesaw. This continual and frequent communication and connection is important to ensure that everyone is committed to monitoring the learning progress of the child. The report card will confirm what has already been communicated about the student's progress through the teacher's communication plan.

We encourage parents/caregivers to reach out to their child's teacher with any questions or concerns that they may have about their child. Questions about this new process can be directed to the principal or to Superintendent Jennifer Hingley jhingley@srsd119.ca.

Sincerely,
Mr. Brian Linn
Principal
