MAY 2022

ADMINISTRATOR'S MESSAGE

We are still waiting on the May flowers, hopefully we do not need to wait much longer. We had a very positive month of April with spirit lifting activities including pep rallies, trivia contests, dress up days, as well as a special guest speaker The Tornado Hunter. Other highlights were an active badminton season and reading goal activities such as Breakfast and a Book. These events have done wonders to bring the sense of community back into the school since restrictions have been lifted. We are looking forward to more fun spring and summer activities as we roll into the final two months of school.

Coming up this month we have senior badminton playoffs starting. Also, we are hosting badminton districts on April 30th with the winners moving on to the next round. Planning for the track and field season is well under way, our junior students will compete in Debden with the winners moving on to the P4A Meet in Prince Albert. Our senior students will first compete in Prince Albert with winners moving on to provincials.

The graduating class is hard at work planning their graduation ceremony. Many thanks to Mrs. Sansom for taking on the lead role of grad coordinator. After the success of last year's outdoor ceremony this year's class has opted for an outdoor ceremony followed by a banquet. The big day is booked for Friday, June 10th.

Please take time to talk about water safety with your kids. It is easy to remember, as a child, the fun and excitement of playing in the puddles and ditches. Please remind your children the hazards of playing in water, to always play with a friend and to stay away from water whether it is rivers, dugouts, deep ditches or lakes. Speaking of safety, as seeding is ramping up, I wish all the farmers a safe and successful seeding season. Stay safe out there.

-Mr. Brian Linn

LIBRARY NEWS

Hello from the library! The new books have arrived and I have many new titles just waiting to be read!! Come into the library to check them out!!

A reminder to all students to return library books by the due date in order to avoid late fees and so that lending privileges will not be affected.

As the end of the school year is approaching, all library books will have to be returned by June 9th to allow enough time for inventory to be taken. You will be charged for any unreturned books in the fall.

-Mrs. Tracy Pease

Slow Down - Canwood Public School staff and students would like to remind everyone to slow down in our school zone. We have noticed an increase in "speedy drivers" traveling past the playground and school building. Please pay attention to the speed limit when traveling through the school zone on 1st Street East.

Parking Lot Safety - Parents/guardians, if you are parked anywhere near the school to pick up students at the end of the day please remember that children may be walking between and/or behind parked cars on the way to their parent's vehicle, and might not be easily seen, or they may be riding their bikes home after school. Wait to pull away from the school until students have made their way to their vehicles or down the street, and wait until the buses have left the parking lot. Thank you.
