

CANWOOD SCHOOL NEWSLETTER

February 2026

Our Grades 7–12 ski trip was a great success with strong student participation! Students had an amazing day on the slopes. While the wind was a bit cool, overall weather conditions were warm enough for an enjoyable day of skiing. A heartfelt thank you to all staff members for your support and supervision, which helped make this experience extra special for our students.

Please note that first-term report cards will be sent home on February 6. This mid-year communication provides valuable insight into your child's learning and progress. We believe this information is vital and remain committed to supporting and encouraging each student's academic growth.

We are also excited to once again participate in the Co-op Gift Card Fundraiser. Sales forms were sent home with students on January 26, and the final day to place orders will be February 3. All proceeds will go toward the purchase of new sporting equipment, including soccer nets and weight room equipment. Thank you in advance for your continued support of our school initiatives.

GRADE 1 & 2 PHYS ED SNOWSHOEING WITH MR. AIKEN

SKI TRIP

Students from Grades 7–12 had the opportunity to go to Table Mountain at North Battleford for a day of skiing and snowboarding. The day was a little bit crisp with a bit of wind but it didn't seem to curb the fun and enthusiasm. Thankfully there were no reports of injuries and the students represented Canwood School with respect and great behavior. A huge thank you to all staff who travelled the early morning with the students and observed skiers and snowboarders both on the hill and in the chalet. Well done Canwood skiers and snowboarders.

-Mr. Greg Duval

REMIND APP
