## NEWSLETTER

June 2026

As we move through the busy month of May, our school community has been filled with many exciting events, opportunities, and accomplishments. We would like to thank all of our families and community members for your continued support of our students and school initiatives.

Our Jump Rope for Heart fundraiser was a great success this year. Thank you to everyone who supported this important cause. Our Student Leadership Council organized a fun and engaging assembly to celebrate and promote heart health through individual and group skipping activities. Students especially enjoyed watching Mr. Aiken showcase his impressive double dutch skipping skills during the demonstration.

On May 13th, students and staff participated in our Community Clean Up Day, just before the return of snowy weather. We appreciate the support from the village office for providing a special treat for our students following their hard work helping keep our community clean and beautiful.

We were proud to have five Grade 9 students attend the “Women in Trades” workshop in Saskatoon. The students had an inspirational and educational day learning about the many trades and career pathways available through Saskatchewan Polytechnic. Thank you to Mrs. Hansen for organizing and taking the students to this event.

Track and field season also brought many exciting opportunities for our students. The Junior Track Meet hosted by Debden School was an enjoyable and successful event for everyone involved. Thank you to Debden School for being wonderful hosts and to Mr. Schwehr for helping plan and organize the day. Senior students also had the opportunity to participate in track events at Carlton, followed by the official Senior Track and Field Meet on May 28th. We were very proud of the many athletes who represented our school and competed in several events. Thank you to our Sr. Track coach, Mr. Duval, for taking our students to Prince Albert. Also, a thank you to Mr. Tibbs and Mrs. Nordquist, who are the coaches for the Jr. Track athletes. They will be taking the qualifying athletes to Prince Albert for the P4A Track & Field meet on June 2nd and 3rd.

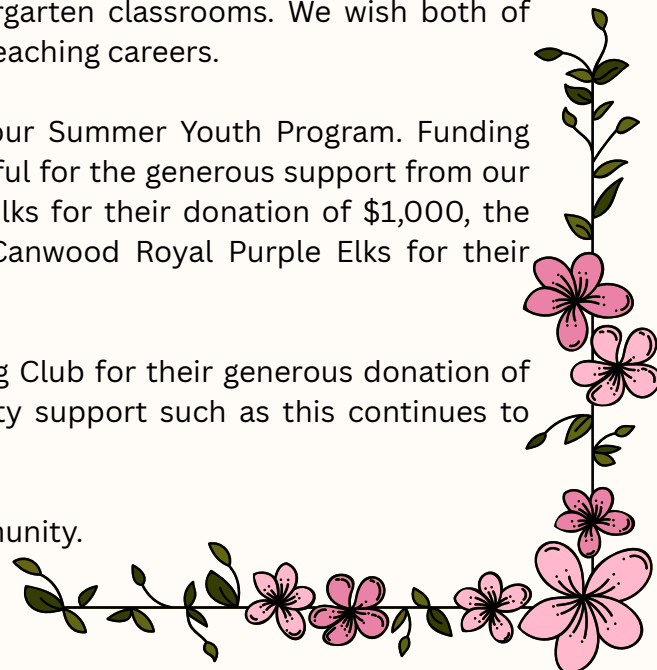

We would also like to recognize and thank Mr. Schwehr for mentoring third-year University of Saskatchewan teacher candidates this spring. Miss Presley Neufeldt and Miss Allison Oleksyn had the opportunity to teach lessons in our Kindergarten and Pre-Kindergarten classrooms. We wish both of these future educators all the best in their continued studies and teaching careers.

Looking ahead to summer, we are pleased to once again offer our Summer Youth Program. Funding continues to be a challenge each year, and we are extremely grateful for the generous support from our community organizations. We would like to thank the Canwood Elks for their donation of \$1,000, the Canwood Senior Citizens for their donation of \$500, and the Canwood Royal Purple Elks for their donation of \$250 toward the program.

In addition, we are incredibly appreciative of the Canwood Curling Club for their generous donation of \$5,000 toward our school playground update project. Community support such as this continues to make a positive difference for our students and school.

Thank you once again for your ongoing support of our school community.

Principal - Mrs. Sylvia Delisle

Anyone interested in enrolling their  
child in the PreK or Kindergarten  
programs for the 2026-2027 school  
year can submit the registration  
forms on the Canwood School  
website. Contact the school office at  
306-468-2150 for more information.

A special Thank You to all the students who have already returned their library books this school year. Books can not be signed out of the library after June 2nd. All books must be returned by June 7th so that I can start inventory with a full library. If anyone finds a library book over the summer (it may have a Canwood Community School barcode on the back right-hand corner or a label on the spine of the book), please hang on to it and return it in the fall as books are very expensive and we would like to keep our school library as full as possible.

Librarian - Mrs. Tracy Pease

## Senior Badminton

Regional Badminton was hosted in Humboldt on Friday, May 2nd. Sadie Schutte (Girls Singles) and Rebecca Schutte and Jocelyn Lajeunesse (Girls Doubles) represented Canwood very well. Sadie Schutte placed 3rd and Jocelyn and Rebecca placed 2nd and moved onto Provincials in Saskatoon on Saturday, May 9th. Rebecca and Jocelyn played very well there and placed 6th in the province.

Coach - Mr. Ryan Aiken

On Thursday, May 21st, five Grade 9 students, including Robyn Dionne, Nica Villegas, Madalynn Buckingham, and Chloe Millar, from Canwood Public School had the opportunity to attend Saskatchewan Polytechnic's Jill of All Trades event. During the day, students explored a variety of hands-on trade and technology experiences, including Agricultural Equipment Technician, Millwright, and Bioscience Technician. The event gave them a chance to learn more about Saskatchewan Polytechnic, the programs it offers, and possible future career pathways. The students enjoyed their time at the event and came away with a greater appreciation for the many opportunities available in the trades.

-Mrs. Courtney Hansen

On Wednesday, May 6th the Canwood Public Library hosted the Grade 7 class to a book reading, story telling and art activity. Lucille Scott read Stinky Sock Jam, a book that she has illustrated, to the class. This is the fourth book that Lucille has illustrated. After the reading, Lucille led the class in the drawing and painting of a chickadee, then everyone had the opportunity to help themselves to some bannock and stinky sock jam. Thanks to Lucille Scott, Bev Wyatt and Gerda Bruner!

Sub Teacher - Mr. Grant Person
